

INFINITY Start 120 Blast Chiller & Freezer

Blast Chilling Capacity:
1,543 Pounds

Blast Freezing Capacity:
1,433 Pounds

Pan Capacity:
(8) Trolley of GN 1/1

Touch Screen Controls

Main Dishes, Pastry or Bakery? Infinity Evolution allows you to **choose from hundreds of programs** that best suits your work. One software program, for endless combinations of operations. You can trust Afinox experience by selecting the **automatic cycle** for specific products, or personalize the work phases by setting up the **manual cycles**. The **combined cycle** allows to set a complete work process, from the freezing for conservation to the regeneration for service, in a few and easy steps.

Construction Features

S/S AISI304 Blast chillers on castors or feet, with integrated or remote condensing unit, for GN1/1 or EN400x600 (Mod.-P only EN400x600) shelves. Touch control system 9". Available cycles (automatic and manual customizable):

- Blast Chilling
- Shock freezing
- Thawing
- Slow cooking (only All-In-One version)
- Proving (only All-In-One-version)
- Comby cycles
- Multilevel function, defrosting function
