

In-store impulse-generating merchandiser

Multi Deck 60 - 3 level
Premium Eylene

The Fri-Jado Multi Deck Eylene boosts hot food-to-go sales with an irresistible product presentation on eye level. Thanks to the high underframe, the Multi Deck Eylene provides great visual merchandising. It can be used anywhere in the store to stimulate customers to pick up hot grab-and-go products.

Our patented Hot Blanket holding technology controls food safety. Hot air is blown from the front of the shelf and circulates over the shelf surface, after which it is recycled into the unit. Your products are completely surrounded by a blanket of hot air, ensuring an even holding temperature.

Large, transparent side panels provide a 180-degree view on your products. The appealing design provides an outstanding product presentation which is sure to boost impulse sales.

Features MD 60 - 3 Premium Eylene

Top features
